## Press Release

22 October 2020

### Attention all educational media producers - submit your MEDEA entry by 31 January 2020!

The 2020 edition of the annual MEDEA Awards has been launched and is devoted exclusively to higher and continuing education. This award is open to anyone worldwide who has created or is using a ground-breaking media-based tool, providing an innovative service or technology, has created an exceptional audio-visual production or is instrumental in putting in place an innovative pedagogical approach based on images and/or sound. The deadline for receipt of entries is 31 January 2020.

This year the **MEDEA Award for Best Educational Media** will honour the best entry aimed at the higher education and/or continuing education sectors. With this award, we aim to identify, recognise and reward the very best of what is happening in these sectors. The judges may, at their discretion, also present a Special MEDEA Jury Prize to an approach or production in recognition of exceptional innovation in pedagogic or technical design.

Finalists will be invited to take part in the Media & Learning 2020 – Images and Sound in Higher Education Conference organised by the Media & Learning Association and KU Leuven on 17-18 June 2020 in Leuven, Belgium. All finalists' entries will be featured on the conference agenda and the winner will be announced during the Awards Ceremony that will take place on 17 June 2020 in Leuven's historic Town Hall.

The closing date for receipt of entries is **31 January 2020**.
